

NEW Redesigned 608 Series Heavy Duty Post

Introducing the redesigned 608 Series post. This new design provides a cleaner look by integrating a larger recessed switch mounting area into the post. This now allows a 59 Series or 619 Series vestibule switch to mount directly into the recessed area.

- **MORE OPTIONS—**
Order the 608 series post with the switch installed
—OR—
Install your own switch.
- **SIMPLIFY INVENTORY—**
Stock only the posts and add a switch as needed
- **CLEANER LOOKING—**
Recessed mounting reduces vandalism and the risk of snagging.

Order with 59 Series or 619 Series Vestibule Switch already installed

OR

Install any switch you'd like!
